General Price List

These prices are effective as of 5/13/2026
Prices are subject to change without notice.

The goods and services shown below are those that we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

DIRECT CREMATION

\$1,995.00 to \$2,175.00

This charge for a direct cremation (without ceremony) includes basic services of funeral director and staff, a proportionate share of overhead costs, transfer of remains to funeral home (within 25 miles), refrigeration, transportation to crematory, necessary authorizations, and cremation fee. If you want to arrange a direct cremation, you can use an alternative container. Alternative containers encase the body and can be made of materials like fiberboard or composition materials (with or without an outside covering). The containers we provide are a minimum container.

A. Direct Cremation with container provided by the purchaser	\$1,995.00
B. Direct Cremation with alternative container	\$2,175.00
C. Direct Cremation with casket of choice (in addition to the cost of the casket)	\$1,995.00

Services of Funeral Director and Staff

Basic Services of Funeral Director and Staff and Overhead \$1,625.00

This basic charge includes 24-hour availability of staff and equipment, securing and recording vital statistics, obtaining authorizations and permits to comply with all state and federal regulations and arrangement conference with family or responsible party. Also included in this charge are overhead expenses such as bookkeeping, accounting and any general clerical administration fees. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials and forwarding and receiving of remains).

CARE OF REMAINS

Embalming \$700.00

Except in special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.
