## General Price List

These prices are effective as of 6/24/2026  
Prices are subject to change without notice.

The goods and services shown below are those that we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

### **Basic Services of Funeral Director and Staff and Overhead** \$1,895.00

This basic charge includes 24-hour availability of staff and equipment, securing and recording vital statistics, obtaining authorizations and permits to comply with all state and federal regulations and arrangement conference with family or responsible party. Also included in this charge are overhead expenses such as bookkeeping, accounting and any general clerical administration fees. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials and forwarding and receiving of remains).

### **CARE OF REMAINS**

Except in special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing.
