DISCLAIMER OF WARRANTIES Our funeral home makes no representations or warranties about caskets or outer burial containers other than those made by the manufacturer. The only warranties expressed or implied, granted in connection with the goods sold with this funeral service are the expressed written warranties, if any, extended by the manufacturer thereof. The funeral home hereby expressly disclaims all warranties, expressed or implied, relating to the caskets or outer burial containers, including, but not limited to, the implied warranties of the merchantability and fitness for a particular purpose.

In most areas of the country, state, or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.
